Foreword by the Commander-in-Chief Dubai Police

"This summit is considered an important opportunity for police leaders and law enforcement agencies at the local, regional and international levels. It will provide them with an ideal window to communicate with governments and policy makers, as well as a platform to discuss the main priorities that shape the future of police forces. The first of its kind security event in the region, the summit will enhance the Dubai Police' future vision, consolidate its innovative capabilities to meet current and future challenges. Furthermore, it give all police agencies an opportunity to exchange experiences and knowledge to be well-informed of the latest developments."

Lieutenant General Abdullah Khalifa Al Marri Commander-in-chief of Dubai Police

The Award Themes

In each of theme, a number of awards have been identified that form the basic pillars of the domain. Meanwhile, a set of criteria defines each category to clarify the required concept and implementations that can be applied to measure the maturity level and achieved leadership.

The award has identified three main themes and developed a set of criteria that help the participating entities achieve an outstanding value. Each theme covers institutional and individual (employee) categories that can be participated in
